

2nd  
Annual **¡CONGRESO**  
**CELEBRA!** 

Hello Community Partners,

On behalf of Congreso de Latinos Unidos, and our Board of Directors, we are pleased to invite you to our second annual Virtual Fundraising event **¡Congreso Celebra!** during **Hispanic Heritage Month** on **Thursday, October 14, 2021 at 6:00pm.**

Last year we came together to enjoy this event in the comfort of our own homes. Again, with a strong consideration of safety in mind, we'd love to have you join us in celebrating the amazing work and resilience as an agency, and honor those that have stood strong, and continuously support and strengthen our communities. With a special guest appearance, and a cooking display presented by River's Casino. ¡Congreso Celebra! is an opportunity for all of our friends and supporters to get to know Congreso and our community in a personal way.

The global pandemic has limited our opportunities to showcase our services at face-to-face events, however we have successfully pivoted to reach our community and a wide audience in this virtual world. Last year's event was a big success as we raised over \$13,000. We need your support to help us get past this mark to reach our **\$20,000** goal.

We would be so grateful if you would consider supporting this celebration as a sponsor. Your sponsorship will deeply impact our ongoing collective work to ensure that our community is connected to our critical resources such as, housing, parenting support, education workforce services, and most importantly health and well-being services.

Please contact Andrea Martinez, Fundraising & Donor Cultivation Specialist | [martineza@congreso.net](mailto:martineza@congreso.net) should you need further assistance.

¡Abrazos & Stay Safe!

Andreina Perez Hein  
Chief Development & Stakeholder Relations Officer
