

WHAT IS THE F.E.C.?

The Family Empowerment Center (FEC) are community based prevention hubs that provide time limited engagement and support to children and families at risk of formal child welfare involvement.

These hubs specifically cater to the needs of families referred by DHS.

GENERAL SERVICES

Comprehensive Case Management Support

Family Activities

Specialized Service and Life Skill Workshops

OUR GOAL

- Enhance the strength and stability of families
- Increase parent skills and confidence in child-rearing abilities
- Provide children a stable and supportive family environment
